- a training session that is characteristic of the sport or in line with the training programme
- match trips and education, fitness and training camps for their entire duration

as well as during trips to and from such events lasting up to three (3) months, both in Finland and abroad.

Sports Cover is offered as a fixed-term policy

Sports Cover will enter into force on 1 November 2023 if you pay the premium by the end of November 2023. If you pay later, the cover will enter into force at midnight on the payment date or at the time of payment. Keep the receipt, this confirms the time of payment. Sports Cover will end on 31 October 2024.

Validity of the licence for various series

The licence must be purchased to match the player's highest league level. Any player moving to play at a higher league level must acquire the appropriate licence. Note! Those born in 2005 or later must purchase the licence option that corresponds to their age (not the league tier).

Licences for players and umpires in Superpesis, Ykköspesis and suomensarja are also valid in baseball and/or softball leagues. Umpire, manager and match official licences and the umpire licence for D–G regional leagues are not valid for players. Baseball or softball players who also want to play in the pesäpalo leagues must upgrade their licences to the appropriate league level (by paying the difference in price). Anyone with a player licence may serve as an umpire.

You can act as an umpire with the non-competitive licence in official league activities organised by the Association's regional organisations for D, E, F or G junior players. Players acting as umpires must purchase Sports Cover unless they have another insurance policy that covers competition or umpiring.

Non-competitive licence

Sports Cover for Non-competitive licence holders is valid when a hobby player takes part in hobby activities organised by the Finnish Pesäpalo Association or its regional organisation, provincial pesäpalo organisation, the Finnish Baseball and Softball Federation, or a pesäpalo/baseball club. Non-competitive licences are not valid in official league competitions or camps organised by the Association or regional organisations (excl. acting as an umpire in the D–G regional leagues).
